

## *North and West Queensland Primary Health Care*

### **MENTAL HEALTH PROFESSIONAL**

**(Psychologist, Mental Health Nurse, Social Worker or Occupational Therapist)**

### **Full or Part-Time/Locum Position**

**(Current funding ends 30th June 2012 with a possibility of continuation)**

North and West Queensland Primary Health Care require the services of a full-time Mental Health Professional to provide clinical assessment and treatment services to clients in our geographical area. The position will be based in Townsville providing services to surrounding towns in the East Coast catchment. The successful applicant will be required to stay in these towns overnight on a weekly basis.

Reporting to the Team Leader East Coast, the Mental Health Professional will demonstrate a sound understanding of the principles of primary health care and an interest in gaining experience within a generalist, primary health care setting.

NWQPHC offers attractive remuneration, coupled with benefits such as generous salary sacrificing arrangements; professional development provision; professional supervision and flexible working conditions. Successful applicants would enjoy autonomy within a very supportive team environment.
