

General Practitioners (GPs) Gulf Health

NORTH & WEST QUEENSLAND
PRIMARY HEALTH CARE

Up to \$400,000 per annum plus subsidies

- **Flexible working arrangements (full-time/part-time) with a choice of coastal or outback home bases**
- **Outstanding incentives and remote area allowances**
- **Casual lifestyle in the Gulf of Carpentaria - estuary, lake and open water fishing, hiking, camping**

North and West Queensland Primary Health Care is a dynamic organisation that continues to break new ground in the provision of health services to rural and remote north and west Queensland. We are seeking two General Practitioners to provide much needed primary health care services to Normanton, with fly-in/fly-out outreach services to the communities of Doomadgee, Mornington Island, Burketown, Gregory/Biddungu and Karumba on a rotational basis. In addition to your own multidisciplinary nursing and allied health team, clinical support will be provided by a combination of the existing local GP in Normanton, visiting locums, aerial medical services and the Normanton Hospital. The Cairns Base and Mount Isa Base Hospitals can be reached within approximately 1-hour via light aircraft.

You will be an excellent communicator with a positive attitude, and have a good understanding of indigenous health and culture. You will hold a medical degree and be eligible for registration in Queensland.

The incentives available include flexible employment conditions; excellent remuneration; salary packaging options; six weeks annual leave, weekly rental subsidy, child care subsidy, two flights home per annum, paid professional mentoring, paid professional development, telecommunications package, and access to a fully maintained vehicle.

To apply or obtain a position description, email Melissa Riordan on melissariordan@bigpond.com or phone 0422 206 933. A copy of your CV, including two current referees, should be emailed by Monday 18 January 2010.
